

## **To the Clubs and all participating swimmers:**

On behalf of the Ballarat Swimming Club I would like to welcome you the Ballarat Swimming Club Skoda Top Five Series 2021.

We are excited to have the Top Five Series returning for 2021 this Saturday and are extremely overjoyed with the 350 swimmers who have entered to swim.

As you are all aware, events like this are different to what we have had in the past due to the happenings of 2020.

Because of this, Ballarat Swimming Club need to restrict the number of people attending the event. This is so we can comply with the venue capacity as deemed by the current Victorian Government COVIDsafe guidelines.

### **This means the following:**

- Families of swimmers and individual swimmers are to be accompanied by 1 adult only (we have very restricted capped capacity and swimmers will be given priority over spectators). This means only one parent/carer/significant other can attend from each family
- Entrance is via the side gate to the BALC (follow the signs) do not enter the via BALC main entrance for the competition
- Every person must register their attendance to the event using the QR code provided
- Swimmers 10 years and under are to be accompanied by an adult
- Those attending the Top 5 will only have access to the 50m pool – no other pools in the BALC will be accessible
- Changerooms and toilets will be allocated for the event

Ballarat Swimming Club greatly appreciate your cooperation with all of the restrictions. If you have any further issues or clarification on some of the restrictions please call me on 0418341168

Ange Gowans
